

FAQ

COMMON QUESTIONS

IS THIS PET INSURANCE?

No. Our plans are built to include primary and preventative care services that are expected and recommended over the course of the year. While insurance is designed to reimburse you for illness and injury, our care plans are made to ensure your pet has a healthy year.

WHAT IS THE IN-HOSPITAL CREDIT (PET FSA)?

Immediately upon sign up, you have access to an in-hospital credit to use for the unexpected. We call this our pet Flexible Spending Allowance (pet FSA) and 75% of any unused balance rolls over at the end of the plan year! (Rollover limited to one year.)

HOW DOES THIS PLAN HELP ME TAKE CARE OF MY PET?

Our subscription well care plans allow you to budget for a year of preventative care for your pet. With one monthly payment, all of your vet-recommended annual care items are planned for. Want to pay annually? Save an additional 5% when you select annual payments at checkout.

WILL THIS SAVE ME MONEY?

Yes. For pet parents wanting to give their pets the best year of care, this plan offers the very best price on our hospital's vet-recommended annual primary care.
